

To Parents and Carers of Year 6 Students

9<sup>th</sup> March 2021

Dear Parents/Carers

As your child's transition journey into secondary school is now underway, I am delighted to be able to write to you to invite you to our first live streamed 'Welcome and Information Evening', which will be held on Thursday 11<sup>th</sup> March. In order to ensure the greatest level of flexibility for our families we have scheduled two presentations the first being held at 4.15pm - 4.50pm and the second at 5.30pm - 6.05pm. Both will cover the same information and we anticipate that you will only need to attend one.

The event will take place through Microsoft Teams which can be accessed through our dedicated transition website. On the evening you will meet Mr Heyes, our Headteacher, key members of the Senior Leadership Team, the Pastoral Year Leader for Year 7 and the Achievement for All Coordinator (SENCO). Through this event there will be opportunity for parents and Year 6 students to ask any questions they may have in relation to the transition process.

For more information, to access the meeting link and supplementary documentation about your child's transition process please visit our dedicated transition webpage <http://transition.stannesacademy.org.uk/>, and click on the meeting links, where you will be able to join our live 'Welcome and Information Event'.

Also on our transition website you will be able to access the following key information:
