

To Parents and Carers of Year 6 Students

2nd March 2021

Dear Parents/Carers

I am delighted to be able to write to you to welcome you to St Anne's Academy, now part of the Cranmer Education Trust, as your child has been allocated a place. We offer a warm welcome as they join our St Anne's family and hope the years, they will spend here will be both happy and successful. It is our ambition that your child will leave school as a confident, successful and responsible young adult, ready to face the challenges that the world has to offer. We are excited about the chance to work in close partnership with you over the next 5 years, guiding and supporting your child through the next stages of their academic journey. Our commitment is to provide a challenging and engaging learning experience. We are confident that with your child's hard work and the wonderful teaching and support staff here at St Anne's Academy, their journey will be a rewarding one.

Starting secondary school may seem like a daunting and overwhelming experience but we have a number of events planned to help ease your child and you as parent/carer, into life at St Anne's. This commences with our initial Welcome & Information evening, held on the evening of Thursday 11th March 2021 via a live stream on Microsoft Teams. Here you will meet Mr Heyes, our Headteacher, key members of the Senior Leadership Team, the Pastoral Year Leader for Year 7 and the Achievement for All Coordinator (SENCO). Through this event there will be opportunity for parents and Year 6 students to ask any questions they may have in relation to the transition process.

For more information, a meeting link and supplementary documentation about your child's transition process please visit the school website home page www.stannesacademy.org.uk, and click on the link for Year 6 transition, where you will be able to locate the following:
